Message from the President

Hello everyone! The Spring Brew-off awards ceremony went off without a hitch. It was our biggest club run competition so far and we look forward to an even bigger event with more entries next year.

If you have not poured your beer at a pouring event, it is definitely something you should consider doing it. Planning for the 2021 ZooBrew is well underway. Besides being the best way to earn lots of member of the year points, the brewer and their plus one get free admittance to a really fun event, get feedback on your beers, and hang out with a great bunch of Red Earth

A special shout out to club member Keith Wright, who won a Gold medal for his Scottish Export at the National Homebrewers Competition. Keith took first place out of 128 entries! Winning a gold medal at the national level is quite an accomplishment.

Beer Judge Certification Program (BJCP)

BJCP certification is a great way to greatly expand your knowledge of homebrewing, beer styles and common beer flaws. The club has expended resources in the past to help many club members become certified, expand their knowledge and ultimately play a leading role in judging our competitions. The nature of this beast is that for the club to embark on another round of helping people become certified, we need 10-15 people seriously interested before the club will buy the materials and invest the time. We will be gauging club interest in certification. The first step in the process is to pass an online Beer Judge Entrance exam. After passing, you have 2 years to complete the tasting exam. The club will reimburse the entrance exam fee of \$10 for any club member that sits for the tasting exam (you must get a seat). Further details regarding the program can be found here: [BJCP Exam Structure](#)

There is also a Mead judging certification program and there are a few club members currently pursuing this type of certification. If you are a big mead fan and are interested in becoming certified judge of meads, please contact our resident expert, Burt Renard, for further details regarding study events that he hopes to do soon to catch an upcoming scheduled exam. (He's a member on the club's Facebook Group and can be messaged. If you don't know him, ask one of the club board members.)

Brewer of the Year (BOTY) and Tom Challis Club Member of the Year (CMOTY)

Don't forget that the club tracks participation in the club activities and competition awards and gives out prizes (1st, 2nd and 3rd for each) at the December (Christmas Party) meeting.
