Message from the Vice-President

Hello Red Earth, spring is almost upon us! Pending any COVID related issues there will be some fantastic homebrewing events coming up. The REB Spring Brew-Off is back! Entry registration will start March 15th, and we will be holding the awards ceremony June 12th at Dunlap Coddling. We also have a great pouring event coming up. Hoppy Camper is scheduled for May 1st. Hoppy Camper is a charity event benefiting Central Oklahoma Camp and Make Promises Happen who provide outdoor recreational experiences to people with special needs. There are still slots available for homebrewers who would like to pour their beer at the event. If you are interested, please contact Gail Shore at The Brew Shop for more details.

We also have a great opportunity this Thursday, March 4th. Fermentis, one of the premier manufacturers of dry yeast reached out to offer us a free tech talk over dry yeast. Please make sure to pre-register using the link in the details below.

Beer Judge Certification Program (BJCP)

BJCP certification is a great way to greatly expand your knowledge of homebrewing, beer styles and common beer flaws. The club has expended resources in the past to help many club members become certified, expand their knowledge and ultimately play a leading role in judging our competitions. The nature of this beast is that for the club to embark on another round of helping people become certified, we need 10-15 people seriously interested before the club will buy the materials and invest the time. We will be gauging club interest in certification. The first step in the process is to pass an online Beer Judge Entrance exam. After passing, you have 2 years to complete the tasting exam. The club will reimburse the entrance exam fee of \$10 for any club member that sits for the tasting exam (you must get a seat). Further details regarding the program can be found here: [BJCP Exam Structure](#)

There is also a Mead judging certification program and there are a few club members currently pursuing this type of certification. If you are a big mead fan and are interested in becoming certified judge of meads, please contact our resident expert, Burt Renard, for further details regarding study events that he hopes to do soon to catch an upcoming scheduled exam. (He's a member on the club's Facebook Group and can be messaged. If you don't know him, ask one of the club board members.)

Brewer of the Year (BOTY) and Tom Challis Club Member of the Year (CMOTY)

Don't forget that the club tracks participation in the club activities and competition awards and gives out prizes (1st, 2nd and 3rd for each) at the December (Christmas Party) meeting.
