### Featured Brewer

Brittany Hendershot

**Occupation:** Veterinary Technician

**How long have you been brewing:** About a year!

**What are your favorite styles to brew:** Anything off the wall, I love experimenting with flavors!

**What got you into brewing:** My husband Chester begged me for the longest time. I tried a Mr. Beer brew kit, did not like it and decided that brewing wasn't for me... that is until we met Deb & Marc Prichard, I became interested. As Deb would say "SUCKER!"

**Current brewing rig:** DarkStar Burners with Bayou Classic 8-, 12- & 15-gallon pots, but we are always buying new equipment and changing the way we do things! We also LOVE brew in a bag, and I swear by it!

**What brew day rules do you follow:** SANITIZE EVERYTHING! Always play music that gets you excited to brew, follow your time schedule, but ultimately HAVE FUN!

**Most influential brew tip you have learned:** Be yourself and go crazy. This is your brew, make it your own! If you want to brew a S'mores beer but don't want to make a stout like everyone else, make your own recipe. My pride and joy is my S'mores Blonde and I'm so happy I took the risk and defied the odds!

**Tip for new Brewers just getting started:** Make friends, and don't be afraid to ask them questions! ESPECIALLY in REB, everyone I have met is so nice and inviting and when it comes down to brew day and I'm missing something or need advice I've got so many people I can call and ask for help!

### What's on tap at your house right now:

- Sign of the Limes (Tequila Lime Gose)
- Execute Pumpkin Porter 66 (Pumpkin Porter)
- Space Camping (S'mores Blonde Ale)
- Trippin' on Trippel (Belgian Trippel)
- BB—8 (Strong Bitter)
- And Chester has a stout and a porter
