Message from the President

Hello fellow REBers! As my term as club president comes to a close, I want to tell everyone what a great pleasure it has been to be associated with this great social club and all the many great people who share this greatest of hobbies. I learn so much about beer and brewing every time I meet with our great club members. I want to especially thank former vice president and member at large David Johnson for stepping up last summer and really helping me out when I needed help with the club. I also want to thank Ken Morris, our treasurer who has done an outstanding job of accounting for every penny of club funds and automating our recurring bills. I've seen this club really grow in the last 6 years since I joined, growing to a large club in decent financial shape, merchandise, a very respectable annual national competition (Spring Brew-off) and club equipment for pouring at festivals that rival any of the local breweries. The future for the club is bright and I look forward to many more years in the club with a lot of really great people. Thank you for being such a great club!

There is still time to sign up to share your outstanding beer with the public at the upcoming festivals. As a reminder, you must have a current ABLE homebrew license to participate. It's free! and downloadable [> Oklahoma ABLE Commission Homebrew License](#)
