In The Know!!

Here are a few things you should know!

- We have made some changes to the Club ByLaws that need your review. In summary, we propose to add two new board members (**Competition Coordinator** and **Events Coordinator**). The new board members will be voting members of the board. Job descriptions and all changes are posted here <https://www.redearthbrewers.com/bylawchanges> for your review. Please send any comments and questions to redearthbrewers@gmail.com. We plan to vote for amendment at the December meeting, with elections for the positions in January.
- November (15th) Monthly Meeting - sMasH beer people's choice competition at Beer Is Good (BIG) Brewing Co. Any adjuncts may be used, but the base recipe must consist of no more than a single malt and a single hop selection. You may use the yeast of your choice.
- Please feel free to send inquiries for club points for Brewer of the Year or Tom Challis Club Member of the Year to either the club email (redearthbrewers@gmail.com) or to chester.hendershot@gmail.com.
- Our Paired Brewing Project has been a major success and has been a ton of fun. Expect another one in 2023!

FOAM CUP 2022

We would love to have several judges travel to Tulsa for the FOAM Cup judging and awards ceremony. Judging takes place primarily on Friday, 11/18/2022 at High Gravity at 7pm and then all day on Saturday, 11/19/2022 followed by the awards ceremony. Chester will be driving up Friday for anyone interested in carpooling. We can also set up a carpool for Saturday with enough interest and availability of a vehicle. You do not have to be a BJCP judge to join in on the fun. Stewards are also welcome and appreciated.
