In The Know!!

Here are a few things you should know!

- Red Earth donated \$200 to Period OKC as a result of earnings from a charitable collaboration between REB Member Marion Hodge, The Women's Craft Beer Society, and Core4 Brewing Co.
- Red Earth Brewers donated to the American Diabetes Association in honor of our Late Honorable Member - Linda Lee Keesee.
- October Monthly Meeting will be a joint meeting with the Oakie Wine Club of OKC. We plan to make wine at the meeting to be served at our annual Christmas Party. Also, there will be a Halloween costume contest.

It's Festival Season!

Zoo Brew and ARTonTAP are a positive go. There will probably be other pouring events coming soon. If you would like to participate, you should know a few things.

- **BREW** – we are going to need beer for these events.
- **Be a member.** Red Earth carries insurance for our club and its members. Your name is listed as a member under the coverage. We cannot let you pour beer at our booth if you are not a member.
- **Have a current ABLE Cider/Wine/Beer Personal Use Permit.** You can get it [here](#). Then, you need to email it to redearthbrewers@gmail.com. This is so that we are following ABLE regulations.

- There will always be a **sign-up sheet** for each pouring event. This helps plan the event and lets us know who is going and what they are bringing. Keep an eye out for them on our [facebook paid member group](#) or our [website](#).
- If you donate beer to the event, you **get 1 point per gallon** added to your *Tom Challis Club Member of the Year* points. But only if you let us know via email. It is very hard to keep track of all that is donated.
- Typically, when you sign up, you are allowed to bring a +1 to the event to help you pour. But we are NOT guaranteed this allotment. Just know it is a highly likely possibility. Again, that +1 MUST be a member.
