## SPRING BREW-OFF BEGINS

### ENTRY DROP-OFFS DUE FRIDAY, APRIL 19TH

It's that time of year once again! REB's 2024 Spring Brew-Off competition is upon us and we are excited to have an amazing response from this year's entrants.

This year's competition filled up within an hour of opening and even included a few extra. A total of 368 entries will be picked up, sorted and judged in the next few weeks culminating in the announcement of winners at the SBO Awards Banquet on May 11, 2024.

One very important date to remember this month is the drop-off deadline. Entries must be dropped off at **The Brew Shop** or **Learn To Brew** by Friday, April 19, 2024 at close of business.

## Hot Off The Prez

Hello Red Earthers!

First off, a big apology for my tardiness with this month's newsletter. As happens at different points; life throws us curveballs and gets in the way of our everyday tasks.

Spring Brew-Off is upon us and this means we are going to be super busy in the coming weeks.

I have a few special shout outs to some members who are working very hard to carry out this monumental task: Our Competition Coordinator, **Sean McCanne**, has been hard at work setting himself and his committee members to task. We can't thank them enough for their service to the club.

I would also like to give a big thanks to **Nick & Heather Hartley** for organizing the BJCP Refresher class that was held to get everyone up to speed on the judging side of things.

Sadly, we extend our condolences to Nick & Heather. Due to the passing of Heather's dad, they were not able to teach the class.

Thankfully, **Brandon Jones** was asked and was able to answer the call and picked up the class.

It truly is a club effort to see all of these tasks to fruition and I appreciate each and every one of you for your dedication.

But alas, the work is far from over. I encourage everyone to review the schedule for Spring Brew-Off on Page 4 to find a place that each of you can pitch in and help the cause.

Sorting, judging, stewarding, providing food for judges, getting raffle prizes and set up and tear down of the events will take all of us working together to

make SBO 2024 the best competition we have ever hosted.

If you are unsure of what you can do to help out, please feel free to reach out to any of the club's officers and we will find a place for you.

Thank you in advance for your participation!

Now let's get this show on the road!

## GALENTINE'S DAY BREWS DUE NEXT WEEK

### *Turn In And Member's Tasting To Be Hosted At Angry Scotsman*

Another month and another competition is on tap for this month's regular meeting.

Galentine's Brew turn in will be Tuesday, April 16<sup>th</sup> at Angry Scotsman Brewing. Ross Harper has graciously offered to host our tasting and we are looking forward to having some great beers.

The Galentine's paired up and brewed their beers between February 14<sup>th</sup> and March 20<sup>th</sup>. The ladies of our clubs were asked to select a partner or multiple partners and get together to celebrate our ladies in brewing.
